## Church Children Humor:

The following statements about the Bible were written by children at a Catholic elementary school. They have not been retouched or corrected (i.e., incorrect spelling has been left in).

**Adam and Eve were created from an apple tree. Noah's wife was called Joan of Ark. Noah built an ark, which the animals come on to in pears.**

**The Egyptians were all drowned in the dessert. Afterwards, Moses went up on Mount Cyanide to get the ten amendments.**

**Solomon, one of David's sons, had 300 wives and 700 porcupines.**

### Got Books?

Our lovely library could use some updating. If you have items from the last decade or two that you would like to share with the library, please bring them to the church. We are especially looking for Bible helps, DVDs, Christian or secular self-help books, Christian fiction, youth and children's books of all types and even games or puzzles that can be shared.

Also, consider bringing or purchasing a copy of your favorite book or DVD and we'll put it on a "Favorite's shelf". Please put a note in it with your name and why you love it. Thanks for sharing.
